

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

**Institution:** Florida A&M University  
**College:** College of Science & Technology (CST)  
**Department:** Biological Sciences  
**Semester:** **FALL 2022**  
**Instructor:** **Dr. LeeShawn D. Thomas, Ph.D., M.S.**  
**Email:** [leeshawn.thomas@famu.edu](mailto:leeshawn.thomas@famu.edu)  
**Office:** Frederick S. Humphries (FSH) Science Research Room 505 & 505A  
**Office Phone:** 850-599-3908  
**Office hours:** M/W/F 2:00 – 3:00 P.M. (Office hours via Zoom and face-to-face by appointment only)  
**Class time:** **12:20 – 1:10 p.m. M-W-F Room 102 Pharmacy Phase I (Face-to-face and Zoom)**  
**Course number:** BSC 2093 Section 002  
**Course name:** Human Anatomy & Physiology I Lecture  
**Credit hours:** **3 Credits**  
**Prerequisites:** BSC 1010 Lecture & Laboratory and *BSC 1011 Lecture & Laboratory*

**ANATOMY & PHYSIOLOGY HAS A PLETHERA OF SCIENTIFIC AND MEDICAL VOCABULARY. IT IS A CONCEPTUALLY INTENSE, TIME CONSUMING AND DEMANDING COURSE. YOU MUST INTENSELY STUDY FOR A “MINIMUM OF 1.25 HOURS” EVERYDAY TO BE SUCCESSFUL IN THIS COURSE. YOU MUST ALSO LEARN HOW TO APPLY AND UTILIZE THIS KNOWLEDGE IN BIOMEDICAL RESEARCH AND/OR CLINICAL MEDICINE!**

## **Policy Statement on Non-Discrimination**

It is the policy of Florida Agricultural and Mechanical University to assure that each member of the University community be permitted to work or attend classes in an environment free from any form of discrimination including race, religion, color, age, disability, sex, marital status, national origin, veteran status and sexual harassment as prohibited by state and federal statutes. This shall include applicants for admission to the University and employment.

## **University Americans with Disabilities Act (ADA) Statement**

The Florida A&M University Americans with Disabilities Act (ADA) Policy Statement states that “Individuals who need a reasonable accommodation must notify the Office of Equal Opportunity Programs at 599-3076.” It is the responsibility of the FAMU Equal Opportunity Programs (EOP) Office, through the ADA Coordinator, to ensure the Florida A&M University is in compliance with the Americans with Disabilities Act. If you have any questions, please contact your Academic Advisor or the University EOP Officer, Equal Opportunity Programs, 674 Gamble Street, Tallahassee, FL 32307, (850) 599-3076.

## **Catalog description:**

This is an introductory anatomy course which covers the basic anatomy phenomena necessary for nursing, physical therapy, respiratory therapy, occupational therapy, pharmacy, pre-medical and pre-dental majors. Emphasis is placed on cellular structure and function, anatomical terms and more importantly body systems. We will cover the molecular events that occur in cells which controls the biochemical, physiological and structural function of cells and tissues and the integumentary, skeletal, muscular and nervous systems.

***Disclaimer: This syllabus is intended to provide student guidance on the type of content and activities that will be covered in this course throughout the semester. It will be followed to the extent possible. However, modifications may be made to supplement and/or enhance student learning.***

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

## **Overarching Goals of this Course:**

1. Students will learn the fundamentals of Human Anatomy & Physiology in preparation for Professional Programs (Cardiopulmonary Sciences, Nursing, Occupational Therapy, Pre-medicine, Pre-Dentistry, Pre-Pharmacy and Physical Therapy).
2. Students will learn the importance of normal human structure and function and also understand how microorganisms, genetic, structural and physical alterations can cause pathological conditions and disease.
3. Students will learn how to utilize, apply and problem solve using knowledge from Human A&P.

## **Course-level Student Learning Objectives:**

1. Students will learn the anatomical language of anatomy in human and other mammals.
2. Students will learn the structure and function of molecules, cells, tissues, organs and organ systems in humans.
3. Students will learn how to apply the knowledge that they learn and how it is applicable in various human medical conditions and diseases.

## **Learning Objectives Assessment:**

These skills will be assessed by exams, quizzes, assignments, homework, case studies and active learning. The learning outcomes addressed in this course specifically correspond to the Academic Learning Compacts of the Department of Biology at Florida A&M University.

**Textbook:** Hole's Human Anatomy & Physiology 16<sup>th</sup> Edition **(A TEXTBOOK IS ABSOLUTELY REQUIRED FOR MAXIMAL ACADEMIC SUCCESS!)**

**Author:** *David Shier, Jackie Butler and Ricki Lewis*

**PowerPoint Slides:** **STUDENT VERSION OF POWERPOINT IS PROVIDED IN CANVAS!**

*Follow the lecture with your Printed or Downloaded PowerPoint Slides. It is highly recommended that you take notes by hand as you review the lecture PowerPoint slides, textbook material, required reading, fundamental videos in canvas and any other type of learning material utilized with this course to maximize learning.*

**Computer Requirements:** *for online assessments students must utilize a computer that is capable of downloading and running RESPONDUS LOCKDOWN AND RESPONDUS CAMERA simultaneously during assessments (quizzes, examinations, and assignments). If respondus lockdown and respondus camera are not functioning, the student will be assigned a "ZERO" for that online assessment!*

## **COVID-19 CLASSROOM POLICIES**

The Florida A&M University Board of Trustees adopted the University's Re-Opening Operational Plan in response to the COVID-19 pandemic. The plan details expectations for members of the University community, including social/physical distancing, wearing face coverings, frequent hand washing, staying home when sick, and limiting the size of in-person meetings and gatherings. These expectations are based on University, local, state, and federal safety guidelines. University enforcement of these expectations contributes to the overall effort of safeguarding the health and well-being of stakeholders, to the greatest extent possible.

**“Wearing a face covering in public can help prevent the spread of COVID-19 in the community. In accordance with guidance from the Centers for Disease Control and Prevention (CDC) and the Florida Department of Health, Florida A&M University expects everyone to wear a face covering in university buildings, including classrooms, regardless of vaccination status. Face coverings should be worn appropriately (i.e., covering both your mouth and nose) in the building if you are attending class in person. Everyone is expected to wear one while inside any university building or public space in which social/physical distancing cannot be observed. Face coverings other than those provided by the University are acceptable so long as they provide appropriate coverage (mouth and nose).**

Face coverings protect the health and safety of individual students as well as the health and safety of their classmates, instructor, and the university community. Anyone attending class in person without a face covering or whose face covering does not provide appropriate coverage may obtain a face covering, free of charge from University locations throughout the University. Instructors will end class if anyone present creates a disruption in class regarding behavioral expectations.

Students should observe signage or otherwise sit, stand, and situate themselves in the seating arrangement identified by their instructor. Disruptive students may face disciplinary action for Student Code of Conduct violations. Students may consult with the Center for Disability Access and Resources (CeDAR) for accommodations, as necessary.

**Finally, students who are experiencing COVID-19 related symptoms must not attend class in person and are encouraged to contact a health care provider. Students must report their absence to the course instructor. Alternatively, students may contact Student Health Services to report their absence, who will work with the student to communicate with the course instructor.”**

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

## **In-Class Recording FAQs and Protocols**

### **When can a student record?**

A student may record a class lecture for three specified purposes as outlined in House Bill 233/section 1004.097, Florida Statutes:

1. For the student's own personal educational use;
2. In connection with a complaint to the University where the recording is made; or
3. As evidence in, or in preparation for, a criminal or civil proceeding.

### **What can students record?**

Students may audio or video record a class lecture for a class in which the student is enrolled. A class lecture is defined as an [educational presentation delivered by faculty or guest lecturer] OR [faculty-delivered educational presentation], as part of a Florida A&M University course, intended to inform or teach enrolled students about a particular subject. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

### **When are students allowed to record?**

Students may record at any time during a class lecture, so long as the recording is made for one of the above listed specific purposes.

### **Do students need permission to record?**

No. Students do not need to seek permission from the lecturer prior to recording a class lecture. However, the recording must be made in accordance with the three specified purposes.

### **Can a student share a recording with another student?**

No. A recording of a class lecture may not be published without the [written] consent of the lecturer. Publish means share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of the recording, is considered to be published if it is posted on or uploaded to, in whole or part, any media platform, including but not limited to social media, magazine, newspaper or leaflet.

### **Are students required to inform faculty that they are recording a class lecture?**

No. Students may record a class lecture under the specified purposes listed above without informing the lecturer or receiving consent from the lecturer.

Updated:8/21 – Academic Affairs

**What happens if a student publishes a recording without getting written consent first?**

If a student publishes a recording of a class lecture without the lecturer's written consent, and it is not in connection with a University complaint or as evidence in a criminal or civil legal proceeding, the student could face severe legal and/or disciplinary consequences. Per HB 233/section 1004.097, Florida Statutes, the unauthorized publishing of the recording allows the lecturer to take the student to court for damages, including attorney's fees, totaling as much as \$200,000. Additionally, the student may be referred to the Office of Student Conduct and Conflict Resolution for a potential violation of the Student Code of Conduct.

**Does HB 233/section 1004.097, Florida Statutes, affect a student's accommodations granted through the Center for Disability Access and Resources (CEDAR)?**

No. If a student has an accommodation through CEDAR to record class activities, the accommodation is for the student's own personal educational use. Accordingly, the student may not share the recordings without the lecturer's written consent.

**COURSE STATEMENT BY  
DR. LEESHAWN D. THOMAS, PH.D., M.S.**

**NO STUDENT HAS DR. THOMAS  
PERMISSION TO PUBLISH ANY  
VIDEO RECORDING DONE  
ONLINE IN ZOOM, CANVAS NOR  
RECORDED FACE-TO-FACE IN A  
"LECTURE CLASS" BY A  
CURRENTLY ENROLLED OR  
PREVIOUS ENROLLED STUDENT!**

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

## **Attendance:**

According to FAMU student catalog, only one unexcused absence per credit hour of the course is accepted. *BSC 2093 is a 3hr course that meets three times a week in the FALL 2022 session, so you can officially only miss 3 days of class without an official Dean's excuse. (Any student who has accumulated 5 unexcused absences in lecture may or will receive 0% for their total attendance average. Each unexcused absence that a student misses will lead to a deduction of 2% from the cumulative attendance average. The student may also receive a complete deduction of 10% from their cumulative average and additionally they may be assigned a permanent grade of "F" for the class due to violation of the attendance policy. If you miss a day of class, immediately upon your return, get an excused absence from the DEAN of your college. You are responsible for all previously missed notes and assessments and you will have to take the quiz or exam during its regular scheduled date and time. Attendance will be taken face-to-face via a printed out roll or using iclickers on your cell phone. If we are online, attendance will be AUTOMATICALLY VIA ZOOM! IF YOU ARE NOT PRESENT FACE-TO-FACE OR ON ZOOM YOU WILL BE MARKED ABSENT AND THERE WILL ABSOLUTELY BE NO EXCEPTIONS TO THIS RULE!*

## **Cell Phone:**

*DURING CLASS TIME FACE-TO-FACE OR ONLINE THERE WILL BE ABSOLUTELY NO CELL PHONE, IWATCH, DIGITAL WATCH OR UTILIZATION OF ANY DIGITAL DEVICE DURING ANY FORM OF ASSESSMENT (QUIZZES, EXAMS AND IN CLASS ASSIGNMENTS)! If you are caught texting, tampering with your cell phone or DIGITAL DEVICE (Technology) other than the desktop, laptop or tablet that you are using to take an online assessment will count as a technology infraction and a form of cheating. The student will also be assigned a permanent grade of "ZERO" for that assessment due to violation of the technology policy according to syllabus rules. Additionally, the student may be administratively withdrawn from the class through the Dean of Academic Affairs and/or Registrar and if the withdrawal date has passed and the student has not withdrawn, they will be assigned a Final Grade of "F." Students will not be allowed to wear "Digital Watches (iPhone), "Google Glasses", Blue tooth ear pieces, Headphones, Earbuds, utilize their cell phones or any type of electronic devices or wear hats with the bills facing forward during class or any type of assessment (quiz, examination, in class assignment or socratic method)! STUDENTS IN FACE TO FACE OR ONLINE ARE NOT ALLOWED TO PHYSICALLY HAVE CELL PHONES ON THEIR BODY, POCKETS, FLOOR, SEAT, CHAIR OR TABLE OR ONLINE WITHIN TWENTY FEET (10ft) OF THE COMPUTER DURING ANY ASSIGNMENTS, QUIZZES, EXAMINATIONS OR ACTIVE LEARNING ACTIVITIES THAT REQUIRE RESPONDUS LOCKDOWN AND RESPONDUS CAMERA.*

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

## **Methods of Evaluation/Performance – Based Assessment**

**Examinations** (face-to-face, online via canvas or McGraw-Hill or take-home): **55%**

**Quizzes** (face-to-face, online via canvas or McGraw-Hill or take-home): **20%**

**Assignments** (face-to-face, online via canvas or McGraw-Hill or take-home): **15%**

**Attendance** (face-to-face, iclicker app or cloud, or Zoom): **10%**

***\*\*\*EXTRA CREDIT: T.B.A. UNDER VERY SELECT CIRCUMSTANCES AND YOU MUST EARN IT!\*\*\****

### **Grading Scale:**

**90.00 – 100% = A**

**80.00 – 89.99% = B**

**70.00 – 79.99% = C**

**60.00 – 69.99% = D**

**0.00 – 59.99 % = F**

### **Quizzes:**

***\*\*\*I STRONGLY RECOMMEND THAT STUDENTS DO NOT USE A CELL PHONE FOR ANY FORM OF ONLINE QUIZ!\*\*\****

Multiple quizzes throughout the semester will be given and they can be *announced* or *unannounced (you have been previously notified that “POP QUIZZES” CAN AND WILL HAPPEN)! SO THEREFORE, ASSUME THAT YOU WILL HAVE A QUIZ EACH AND EVERY TIME YOU ATTEND CLASS!* If necessary, quizzes will be given each class period and will cover the information from the previous class(es), homework, videos and it may be cumulative. All in class quizzes will typically be given during the beginning, middle or end of class but it is possible that it may be given at other times after class online. If the quiz is not given during class time, it will be online for a **selectively limited amount time**. Failure to complete and submit an *in-class or online quiz* will be recorded as a **“ZERO”**. If a student loses wi-fi or internet and is granted permission for a second attempt at a quiz, the first and second attempt will be averaged together to determine your final grade for that specific assessment. If a third attempt (final attempt) is granted with proper and extensive justification all three attempts will be averaged for your final grade on that specific assessment. ***Finally, online quizzes will require the utilization of respondus lockdown and respondus camera application. If respondus lockdown and respondus camera are not functional or compatible with your computer, then the student will be unable to start and complete the assessment and BE ASSIGNED A GRADE OF ZERO FOR THAT ASSESSMENT. Therefore, each student must be able to comply with these technological requirements (RESPONDUS LOCKDOWN AND RESPONDUS CAMERA). READ THE MAKE UP POLICY BELOW!***

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

## **Assignments:**

**\*\*\*I STRONGLY ADVISE THAT STUDENTS DO NOT USE  
A CELL PHONE FOR ANY FORM OF ONLINE ASSIGNMENT!\*\*\***

Failure to complete and submit an *in-class or online assignment* will be recorded as a “**ZERO**.” Failure to complete and submit a homework assignment *online* after the deadline (*exact time and day of collection*) will result in a “**ZERO**”. If a student loses wi-fi or internet and is granted permission for a second attempt at an assignment, the first and second attempt will be averaged together to determine your final grade for that specific assessment. If a third attempt (final attempt) is granted with proper and extensive justification all three attempts will be averaged for your final grade on that specific assessment. *Makeup assignments will follow the same policy as a makeup quiz or examination (READ MAKE UP POLICY BELOW)*. Students may be required to work in a case study or active learning group which will be predetermined by the professor and students are only allowed to communicate and interact with other peers within their predetermined active learning group. *During in class person to person or online group assignments, case studies or active learning activities, students may be put into BREAKOUT ROOMS and ALL STUDENTS MUST UTILIZE THE CAMERA AND AUDIO ON THEIR COMPUTER. Any student who does not comply with this rule will be deemed as ABSENT and receive a “**ZERO**” for that assignment and may be dismissed from class!*

## **Examinations:**

**\*\*\*I STRONGLY RECOMMEND THAT STUDENTS DO NOT USE  
A CELL PHONE FOR ANY FORM OF ONLINE EXAMINATION!\*\*\***

Multiple exams throughout the semester will be given and they will be *announced in class and/or via Canvas announcements*. All in class exams will typically be given during the assigned class time but it is possible that it may be given at other times after class online. If the exam is not given during class time, it will be online for a *selectively limited amount time*. Failure to complete and submit an *online exam* will be recorded as a “**ZERO**”. If a student loses wi-fi or internet and is granted permission for a second attempt at an exam, the first and second attempt will be averaged together to determine your final grade for that specific assessment. If a third attempt (final attempt) is granted with proper and extensive justification all three attempts will be averaged for your final grade on that specific assessment. *Finally, online exams will require the utilization of respondus lockdown and respondus camera application. If respondus lockdown and respondus camera are not functional or compatible with your computer, then the student will be unable to start and complete the assessment and **BE ASSIGNED A GRADE OF ZERO FOR THAT ASSESSMENT**. Therefore, each student must be able to comply with these technological requirements (RESPONDUS LOCKDOWN AND RESPONDUS CAMERA). **READ THE MAKE UP POLICY BELOW!***

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

## **MAKE UP ASSESSMENT POLICY**

**\*\*\*I STRONGLY ADVISE THAT STUDENTS DO NOT USE A CELL PHONE FOR ANY FORM OF ONLINE QUIZ, ASSIGNMENT OR EXAMINATION!\*\*\***

Any student who misses any assessment, quiz, assignment, exam will not be allowed to make it up until they present an *Official Validated excuse from the DEAN of your respective college*. The student will have one week from the date of the missed assessment to present an official excuse and schedule a day and time to take the makeup assessment (quiz, assignment or examination). If the student does not present an official university excuse, schedule and complete the makeup quiz, assignment or test within two weeks, then the student will be assigned a Permanent Grade of "ZERO" for that assessment. Finally, depending on how the makeup is administered via face-to-face or online. The makeup may require the utilization of respondus lockdown and respondus camera. If respondus lockdown and respondus camera are not functional or compatible with your computer, then the student will be unable to start and complete the assessment and BE ASSIGNED A GRADE OF ZERO FOR THAT ASSESSMENT. Therefore, each student must be able to comply with these technological requirements (RESPONDUS LOCKDOWN AND RESPONDUS CAMERA). The format (not content or material) of the makeup assessment WILL BE DIFFERENT FROM THE ORIGINAL QUIZ, ASSIGNMENT OR EXAM and it can be Multiple Choice, Short answer, True/False, Fill in the blank, Draw Label & Discuss, Essay, Crossword puzzle, Oral examination or any of the above combinations. "FINALLY, A MAKE-UP QUIZ, ASSIGNMENT OR EXAM "CAN AND MAY" POSSIBLY BE COMPREHENSIVE UP TO THAT SPECIFIC QUIZ, ASSIGNMENT OR EXAMINATION!"

**THERE WILL NOT BE ANY EARLY FORM OF ASSESSMENT (QUIZ, ASSIGNMENT, EXAM & ETC)! THE FIRST UNSUCCESSFUL ONLINE ASSESSMENT ATTEMPT WILL AUTOMATICALLY LEAD TO AN AVERAGED GRADE OF THE FIRST AND SECOND ATTEMPT IF YOU ARE GRANTED PERMISSION. "IF GRANTED ELIGIBLE AND JUSTIFIED FOR A THIRD (FINAL) ATTEMPT, ALL THREE ATTEMPTS WILL BE AVERAGED TO DETERMINE YOUR FINAL GRADE ON THAT ASSESSMENT."**

**\*\*\* A Grade of "I = Incomplete" WILL NOT BE GIVEN UNDER ANY CIRCUMSTANCE! \*\*\***

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

## **Administrative Withdrawal**

Any student acting unruly (TALKING ON CELL PHONE, BEING DISRUPTIVE OR BEHAVING UNPROFESSIONALLY) during class is subject to an administrative withdrawal. If this occurs after the withdrawal date for that semester that student will be assigned a final grade of “F” for the course!

**LAST DAY TO WITHDRAW:  
November 4, 2022.**

## **Academic Honesty Violation**

In the Fang 6C3-2.012 number (10) letter (s) 1-5. CHEATING WILL NOT BE TOLERATED IN ANY FORM! If a student is caught plagiarizing, copying, attempting to cheat or cheating as an individual and/or group they will receive a “ZERO” on the examination, quiz, case study or assignment which will be PERMANENT! \*\*\*THE STUDENT WILL ALSO BE OFFICIALLY REPORTED TO THE CHAIR OF THE DEPARTMENT, DEAN OF THE COLLEGE, DEAN OF STUDENTS AND VICE PRESIDENT OF STUDENT AFFAIRS FOR DISCIPLINARY ACTIONS!\*\*\*

## **Study Sessions**

DURING STUDY SESSIONS STUDENTS WILL BE REQUIRED TO UTILIZE THE “ZOOM CAMERA AND AUDIO” ON THE COMPUTER. ANY STUDENT WHO DOES NOT COMPLY WITH THIS RULE WILL BE DEEMED AS ABSENT AND MAY BE REMOVED FROM THE ZOOM STUDY SESSION! Study sessions will be announced via canvas and they may take place on a weekly basis. ALL STUDY SESSIONS ARE OPTIONAL (NOT REQUIRED) AND WILL BE CONDUCTED OUTSIDE OF REGULAR CLASS TIME! The purpose of study sessions is to aid, assist, reinforce and clarify physiology concepts, PROBLEM SOLVING AND CRITICAL THINKING! HOWEVER, THE PURPOSE OF THE STUDY SESSION IS NOT TO PROVIDE HINTS ABOUT QUESTIONS NOR CONCEPTS THAT WILL BE TESTED ON THE EXAM. STUDENTS ARE STRONGLY ENCOURAGED to come to study sessions but to additionally WATCH VIDEO’S IN CANVAS, SEEK ASSISTANCE FROM DEPARTMENTAL TUTORS, OTHER PROFESSORS and to UTILIZE OFFICE HOURS if any further assistance is necessary.

**STUDY SESSIONS WILL BE INTERACTIVE AND ALL STUDENTS MUST ASK SPECIFIC QUESTIONS REGARDING THE SCIENTIFIC AND MEDICAL CONCEPTS. THE STUDY SESSION WILL ONLY LAST AS LONG AS STUDENTS ARE ASKING SPECIFIC QUESTIONS REGARDING THE SCIENTIFIC CONCEPTS THAT WE DISCUSSED IN CLASS.**

# **Review of Quizzes Assignments, & Examinations**

**STUDENTS WILL GIVEN BACK THEIR IN-CLASS FACE-TO-FACE QUIZZES AND EACH STUDENT WILL HAVE THE INDIVIDUAL RESPONSIBILITY TO RESEARCH THE CORRECT ANSWERS TO THE QUESTIONS THEY GOT INCORRECT. FACE TO FACE EXAMINATIONS WILL NOT BE RETURNED TO STUDENTS AND STUDENTS WILL HAVE TO REQUEST TO REVIEW THEIR EXAMINATION EXCLUSIVELY IN DR. THOMAS OFFICE! ONCE ONLINE QUIZZES AND ASSIGNMENTS HAVE BEEN GRADED, STUDENTS WILL BE ABLE TO OBSERVE WHAT QUESTIONS THEY GOT CORRECT UNDER THE SUPERVISION OF RESPONDUS LOCKDOWN AND RESPONDUS CAMERA. HOWEVER, STUDENTS WILL NOT BE ALLOWED TO OBSERVE THE CORRECT ANSWER FOR INCORRECT QUESTIONS OF QUIZZES AND ASSIGNMENTS AND IT WILL BE INVISISBLE OR NOT ACCESSIBLE! FINALLY, ONLINE EXAMINATIONS QUESTIONS AND ANSWERS CAN ONLY BE REVIEWED FACE-TO-FACE BY APPOINTMENT ONLY AND UNDER THE STRICT PRESENCE AND SUPERVISION OF DR. THOMAS.**

# **BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022**

## **“Tentative Lecture Schedule”**

<b>LECTURE TOPIC</b>	<b>Chapter</b>	<b>Week</b>
Introduction to Human Anatomy and Physiology	1	Aug 22/ Aug 29
Cells	3	Aug 29/ Sept 5
<b>EXAM 1 (TBA)</b>		
Tissues	5	Sept 5/ Sept 12
Integumentary System	6	Sept 12/ Sept 19
<b>EXAM 2 (TBA)</b>		
Skeletal System	7	Sept 19/ Sept 26
Joints of the Skeletal System	8	Sept 26/ Oct 3
<b>EXAM 3 (TBA)</b>		
Muscular System	9	Oct 3/ Oct 10 / Oct 17
Nervous System I: Basic Structure and Function	10	Oct 17/ Oct 24/ Oct 31
<b>EXAM 4 (TBA)</b>		
Nervous System II: Divisions	11	Oct 31/ Nov 7/ Nov 14/
Nervous System II; Special Senses	12	Nov 14/ Nov 22/ Nov 28
<b>EXAM 5 (TBA)</b>		

# BSC 2093 (Anatomy & Phys I Lecture) Syllabi FALL 2022

## FAMU Official University Academic Calendar

Fall 2022

April 4 - 08, 2022	Early 2022 Fall Registration ( <i>By Appointment Only</i> )
April 09 - August 21, 2022	Regular Registration ( <i>Open Enrollment</i> )
April 11 - August 12, 2022	FAMU/FSU Co-Op Student Application
May 9 - August 12, 2022	Non-Degree Seeking, Dual Enroll, FAMU and State Employees, Application
July 5 - August 5, 2022	In-State Residency Re-Classification Period
August 16, 2022	Residence Halls open at 7:00 am.
August 22, 2022	<ul style="list-style-type: none"> <li>- Late Registration (<i>\$100 late fee will be assessed</i>)</li> <li>- Add/Drop begins</li> </ul>
August 22, 2022	1 <sup>st</sup> Class Meeting
August 22 - August 26, 2022	Registration for Non-Degree Seeking, FAMU and State Employees [ <i>No new applications</i> ]
August 22, 2022	<ul style="list-style-type: none"> <li>- Intent to Graduate – Advisors place service indicators (ETA) in iRattler</li> <li>- Students begin to apply for graduation online</li> </ul>
August 26, 2022	<ul style="list-style-type: none"> <li>- Add/Drop Ends</li> <li>- Last day to submit online Insurance waiver - FAMU Health Clinic</li> </ul>
September 2, 2022	Last day to pay 100% of all fees <i>without a late fee (\$100)</i>
September 5, 2022	<i>Holiday – University Closed in Observance of Labor Day</i>
September 9, 2022	Last Day to Appeal <ul style="list-style-type: none"> <li>- Repeat Course Charge</li> <li>- Academic Appeals</li> <li>- Excess Credit Hours</li> </ul>
October 10, 2022	Last Day to Apply for Graduation
October 17-21, 2022	Spring 2023 Early Registration ( <i>By appointment only</i> )
October 22, 2022 – January 8, 2023	Spring 2023 Regular Online Registration
November 04, 2022	Last Day to Withdraw <ul style="list-style-type: none"> <li>- Course withdrawal online (<i>no paper form</i>)</li> <li>- Term withdrawal (iRattler Student Center complete form)</li> </ul>
November 04, 2022	Last Day to Submit Exception forms
November 11, 2022	<i>Holiday – University Closed in Observance of Veterans Day</i>
November 23-25, 2022	<i>Holiday – University Closed in Observance of Thanksgiving</i>
December 2, 2022	Last Day for Instructors to submit I, N, or DIS Grade or Title Change
December 2, 2022	Last Day of Classes
December 5 - 9, 2022	Final Examination
December 9, 2022	Commencement [ <i>Degree Conferred Date</i> ]
December 10, 2022	Residence Hall Closes at 12 noon
December 12, 2022	Submit Final Grades Before 5:00 p.m.
December 13, 2022	<i>FAMU/FSU College of Engineering Final Grades Before 5:00 p.m.</i>
December 13, 2022	Grades Available for Students to View
December 16, 2022	Deadline for Degree Certification
